Message from Kamp Kool

Hello Parents!

Monday June 28, 2021, workers will be here installing a new WIFI system. The parking lot drop off area will be blocked off. Staff will be outside to help direct kids and traffic. Just a reminder, if your kamper is going to be late for Kamp make sure you walk in with your child.

The front circle area is ONLY for drop off, not parking. Please park your car in the designated parking spots.

Thank you!

Ms. Frieda & Ms. Myranda
